(Won't 'Cha) Show Me Around *Liberty 55750 (US)* *1964*

Strong single string guitar, but no piano on 1. Fine acoustic guitar on 2 (I'm sure it's Glenn Campbell) but again no piano. This was Dewayne and Ronald Blackwell's only release on Liberty. Listed here as a "maybe" as the rumor has it that Leon did play.

Both tracks prod. by Snuff Garrett. Dewayne Blackwell wrote Mr. Blue that was a Billboard no. 1 hit for The Fleetwoods in 1959.
